Emily,

Amanda had found a rental but in order to move into the rental she needed to turn on utilities (per the landlord's request). I had received approval to do this so I proceeded; however, the potential landlord stated that he could not rent the property due to a gas line issue. With the arrears paid, this will aid her in moving forward more timely for future rentals.

Hi Kyle –

Can you provide a little more information on [REDACTED] utility bill? It looks like the client is looking for housing, so was it necessary to pay the full overdue Ameren bill in order to turn on utilities when she finds a new place?

[REDACTED] – Client's due date was 2/9/16, but there is no birthing outcome entered. Please confirm the client's delivery date and have CM enter this data into the system.

Thanks,

Emily Kraft
